

## Board of Health

### December Monthly Report-School Health Unit

The School Nurses attained 100% immunization compliance city wide as reported in the annual survey to the state that was due in December.

The Reilly School Nurse attended an endocrinology appointment with his diabetic student and parent in order to exchange important information with the health care provider and devise a care plan that will benefit the student and improve his glucose control and overall health.

Nurse Coordinator and Nurse Manager participated in the Greater Lowell Asthma Coalition meeting, which continues to work on the importance of education for diagnosed asthmatics, methods to identify triggers and decrease incidence of asthma attacks.
